Comfort Club Savings Program

New LIFETIME Guarantee!

As an active Comfort Club Savings Program Member, you will NEVER pay for the same repair twice! Our technicians are expertly trained and take great pride in doing the job right the first time. We have the utmost confidence in our technicians; they are masters of their trade, so we are equally confident in offering you:

- A **LIFETIME** guarantee on repairs.
- A **LIFETIME** guarantee on all associated parts.
- A **LIFETIME** guarantee on all associated labor.
- A fully transferable agreement.

This guarantee gives you the peace of mind that you deserve, and the confidence you need to trust Mattioni's to care for all of your heating and cooling needs!

Guarantee is based on the repaired/replaced component—not the system. Your guarantee remains valid as long as there is no lapse in your contract. See Savings Club sign-up sheet for full details.

(For your convenience, the monthly payment plan option is recommended.)
